

Enrollment through Conversion

Provisional Providers/Sites may convert children who are:

1. Already receiving services with a Provisional Provider/Site's program
2. Living in Philadelphia
3. 3 or 4 years old on September 1, 2016
4. Receiving CCIS subsidy, are on the CCIS waitlist, or were determined ineligible for CCIS within the previous 12 months

NOTE: If a child meets criteria 1-3, but does not have a CCIS determination they must go through the general enrollment process described in the "Process for General Enrollment" section (see below).
